## 1. Introduction to Clarina-Ballybrown

### Clarina Village

Clarina (Clár Aidhne) is a small village in the townland of Ballybrown, in the northern portion of the parish of Patrickswell, County Limerick. Located along the N69, approximately 9km west of Limerick City, Ballybrown is a rural community that has expanded in recent years due to its proximity to Limerick City. The River Maigue, a tributary of the River Shannon, is west of the village, in the direction of Askeaton, 19km distant. The Barnakyle River, which flows east to the Maigue, borders the southern edge of the parish.

**See Maps 1 and 2 for Clarina Village and Ballybrown Townland.**

### Catchment Area

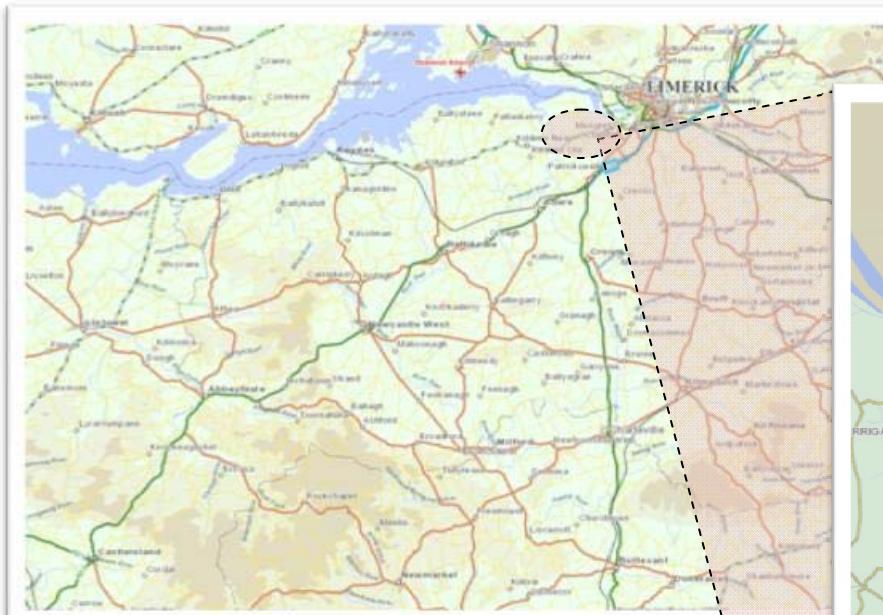

The catchment area identified for the purposes of this document extends beyond Clarina into surrounding areas that have, traditionally, associated themselves with the Village. Based upon this catchment area, the local community, including population and demographic profile, extends into the wider Ballybrown Townland and Clarina DED. For the purposes of this document, it also includes the Carrig DED, north of Clarina Village, which, by virtue of the road structure, is linked closely to the Village, School, proposed Resource Centre and other local amenities.

While it is accepted that, on a day-to-day basis, Clarina Village and its immediate environs form the primary catchment area for the Clarina-Ballybrown Community Council, any future actions and developments will affect the community in the wider catchment area. This assumption is also supported by feedback from the community survey (discussed in Section 2) which recommended the inclusion of the wider community in future activities.

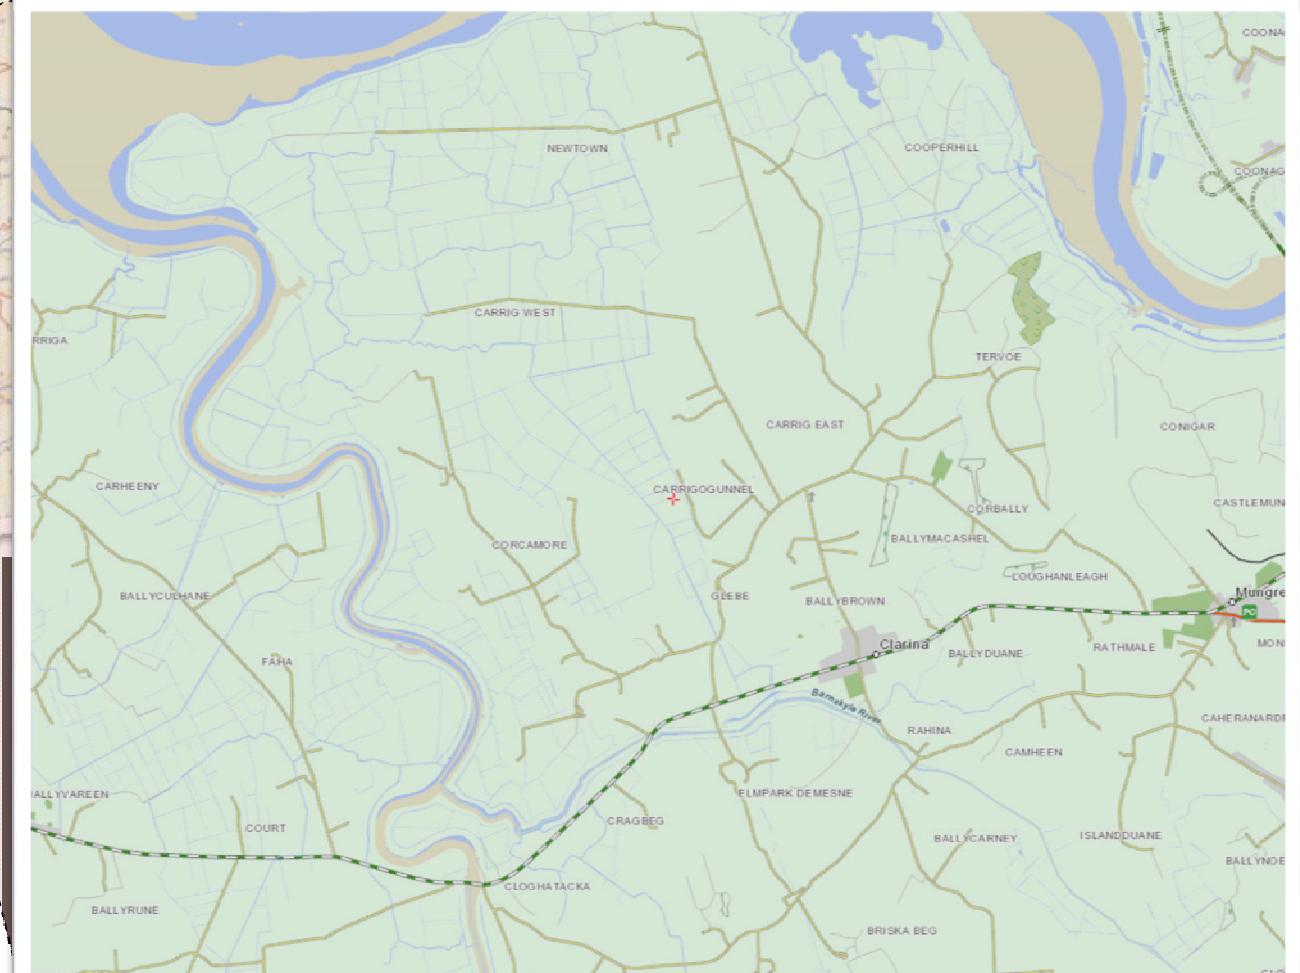

**See Maps 3 and 4 for the wider Catchment Area.**

*Note: Regarding Map 4, on visual inspection, the catchment area appears to extend well North of Clarina Village, while only extending slightly beyond the Village in other directions. The reason for this is due to the fact that the areas North of the Village are not densely populated and, using the road network, are linked to the area adjacent to the Village. However, in other directions outside the Village environs, the communities tend to be linked to other population centres, e.g. Patrickswell, Limerick City, etc. This limits the catchment area surrounding the Village itself.*

## Demographic and Socio Economic Profile

### Clarina Village

Based on the Census 2006, the population of Clarina Village is recorded as 216 people, which classifies it as a Tier 5 Settlement<sup>1</sup> under the Limerick County Development Plan 2010-2016.

### Wider Catchment Area

Using the wider catchment area described in the previous section, and illustrated on Map 4 above, the population for the community beyond the village itself is 1,650 persons for Clarina Electoral Division and 590 persons for the Carrig Electoral Division to the North of the Village.

Category	Male	Female	Total
058 Carrig	298	292	<b>590</b>
060 Clarina	843	807	<b>1,650</b>
<b>Total</b>	<b>1,141</b>	<b>1,099</b>	<b>2,240</b>

Further analysis of the population, based on male and female numbers, is provided in the tables below.

<sup>11</sup> These are smaller settlements generally ranging in population from 150 – 400 people with some essential infrastructure (i.e. Council water and/or sewage facilities) and a range of community infrastructure that provide for convenience and daily needs of the local population and surrounding area. They also provide some small-scale employment opportunities and local level community facilities, such as primary schools, churches, local sporting facilities and a community hall.

## Persons with a disability by age group

The number of people with a disability in the catchment area is shown in the following table. The percentage of the total population for Carrig and Clarina is 8.6% and 8.8% respectively, giving a percentage of 8.8% of the total population.

Age Group	0 - 14 yrs	15 - 24 yrs	25 - 44 yrs	45 - 64 yrs	65+ yrs	Total
058 Carrig	3	4	6	20	18	51
060 Clarina	11	13	15	55	52	146

<b>Total</b>	<b>92</b>	<b>63</b>	<b>159</b>	<b>19</b>	<b>76</b>	<b>329</b>

The percentage of people in Carrig and Clarina who, according to the Census, are involved in voluntary activity is 17% and 14% respectively, giving a percentage of 15% for the total population. Based upon the more recent Clarina-Ballybrown Community Survey (see Section 2), the percentage of those involved in voluntary or community activities is 41%. The difference between the two figures can be explained by the fact that the Census refers to all people of all ages within the community, while the question on the survey referred particularly to the person completing the actual Survey.

## Limerick County Development Plan 2010 - 2016

The Limerick County Development Plan 2010-2016 classifies Clarina Village a Tier 5 Settlement.

It states that:

*According to the Census in 2006 Clarina had a population of 216. Its range of services includes a petrol station, vacant retail units, riding school, pharmacy, and playing pitch. There is capacity to provide water and sewerage treatment within the timescale of the Plan. Any development shall be located north of the settlement core.*

### Tier 5 Settlement

The Limerick County Development Plan classifies Tier 5 Settlements<sup>2</sup>, of which Clarina Village is one, as follows:

*Tier 5 and Tier 6 settlements generally can be defined as a compact community usually though not exclusively titled a village with a traditional core, which has a number of the following features or facilities: a church, school, pub/shop, community hall and other community/recreational facilities and some elements of public infrastructure and which function as a service centre for a wider community*

*These are smaller settlements generally ranging in population from 150 – 400 people with some essential infrastructure (i.e. Council water and/or sewage facilities) and a range of community infrastructure that provide for convenience and daily needs of the local population and surrounding area. They also provide some small-scale employment opportunities and local level community facilities, such as primary schools, churches, local sporting facilities and a community hall.*

### Retail Strategy for the Mid-West Region - Tier 5 Settlements (Retail Hierarchy)

Tier	Metropolitan Area	Hinterland
Tier 5	Local corner shops	<b>Local/Corner shops:</b> Smaller villages/crossroads-rural shops (post offices, creameries, public houses, petrol filling stations)

The designation of centres within Tiers 4 and 5 is a matter for individual local planning authorities in the Region to determine in their retail strategies and development plan variations.

<sup>2</sup>

The full list of Tier 5 Settlements includes Ardagh, Ballyagran, Ballyhahill, Ballylanders, Ballyneety, Broadford, Carrigkerry, Clarina, Fedamore, Galbally, Herbertstown, New Kildimo, Kilteely, Knocklong, Montpelier, Mountcollins, and Pallas Grean (new).
